

Santa Monica-UCLA Medical Center Department of Radiology
Specialist in the Community Lecture Series

**Endovascular Therapy for the Treatment of
Acute Deep Vein Thrombosis**

Presented by

Stephen Kee, M.D.

Associate Professor of Radiology
Chief of Cardiovascular Interventional Radiology
David Geffen School of Medicine at UCLA

Wednesday, June 28, 2006

7:00 p.m.

Dinner to be served at 6:30pm

Melisse Restaurant

1104 Wilshire Boulevard
Santa Monica, California

This lecture is sponsored by an educational grant from Siemens Medical Systems.

Please RSVP to Carole Barrinuevo at (310) 319-1261, fax (310) 319-3225 or email at cbarrinuevo@mednet.ucla.edu by June 21st. Confirmations and details will be sent within 48 hours after receipt of RSVP.

Learning Objectives:

1. To understand the rationale behind using endovascular techniques to treat deep vein thrombosis.
2. To discuss the appropriate patient selection methods for these procedures.
3. To discuss the possible risks and long-term benefits of deep vein thrombosis.

Santa Monica UCLA Medical Center is accredited by the Institute of Medical Quality & the California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. SM-UCLA Medical Center takes responsibility for the content, quality and scientific integrity of this CME Activity.

Santa Monica-UCLA Medical Center designates this educational activity for a maximum of one (1) hour of *AMA/PRA Category 1 Credit™*. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the *CMA Certification in Continuing Medical Education*.
